

VALOR

MANAGEMENT CONSULTING INTERNSHIP 2022

ABOUT THE INTERNSHIP

An internship at VALOR gives you an excellent opportunity to kick-start your future career through working on projects in:

- Strategy, growth, and business development
- Operational improvement and process design
- M&A and private equity

WHAT WE OFFER

- The opportunity to quickly build on your core consulting skills, from data analysis and synthesis to client counselling
- Full involvement in the entire life cycle of a project - with a dedicated role and active mentoring
- Day-to-day work in an informal, inclusive and fun environment

Internships usually last 3-4 months. However, the timing and duration of the internship is planned so that it fulfills both your interests and ours. An internship is an excellent steppingstone to a full-time position at VALOR.

HOW TO APPLY

Send your application to Hanna Mäkinen, hanna.makinen@valor.fi by Sept 26th, 2021. Please include and combine the following documents into one PDF-formatted document.

- Cover letter
- Curriculum vitae
- University grade transcript
- Upper secondary school matriculation certificate

An ideal candidate for an internship is a master's level student with a strong academic background, good analytical and social skills, good knowledge of both Finnish and English, and most importantly, the motivation and drive for learning and professional development.

For more information about our firm, our people, and the internship, kindly refer to www.valor.fi or contact Teemu Siren (+358 40 841 70 21) or other VALOR employees.
